LIFE AFFIDAVIT

READ CAREFULLY BEFORE SIGNING

I certify I have never been an adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to any felonies or any second or subsequent alcohol/drug related offenses under the laws of this or any other state or under the laws of the United States in order to be eligible for a LIFE Scholarship, except that a high school or college student otherwise qualified who has been adjudicated delinquent or has been convicted or pled guilty or *nolo contendere* to a second or subsequent alcohol or drug-related misdemeanor offense nevertheless shall be eligible or continue to be eligible for such scholarships after the expiration of one academic year from the date of the adjudication, conviction, or plea by submitting an affidavit each academic year to the institution. However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* of a second alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Scholarship the remainder of the academic year. However, the student will be ineligible for the Scholarship the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect Scholarship eligibility.

I also have read and understand that obtaining funds through means of a willfully false statement or through failure to reveal material fact, condition or circumstances affecting eligibility, will be subject to applicable civil or criminal penalties including loss of LIFE Scholarship funds.
