

## Bridge to Clemson Has Gone Mobile!

Dear Student,

This e-mail is to inform you that Bridge to Clemson has gone mobile using [Guidebook!](#)

We strongly encourage you to download our mobile guide to enhance your experience with the Bridge to Clemson program. You'll be able to keep up with planned events and create your own to-do list of tasks to complete before the academic year begins. You can also access academic information, find out more about support services, and learn ways to get involved!

The app is compatible with iPhones, iPads, iPod Touches and Android devices. Windows Phone 7 and Blackberry users can access the same information via our mobile site at <http://guidebook.com/browse/>.

### To get the guide, complete a few simple steps:

- Download "**Clemson University Events**" from the Apple App Store or Google Play (it will show as an orange tiger paw on a white background)
- From "Download Guides," select Bridge to Clemson.

If you do not have a mobile device, you can also access the information via the web at <http://guidebook.com/guide/27578>
