

COVID-19 Health Screening for Students

Please review the following questions each week before reporting to campus. If you answer “yes” to any of the questions, do not come to campus. Instead, stay home and complete this online form: [Student Issues and Help Form](#). If you have questions, contact Student Support at (864) 646-1569 or wellness@tctc.edu.

Have you been diagnosed with the novel coronavirus (COVID-19)?

Have you traveled outside the immediate area where large crowds (greater than 100 people) have gathered (e.g., a cruise, festival, amusement park, etc.) in the last 14 days?

Have you been exposed to a known case of novel coronavirus (COVID-19)?

Have you traveled outside the immediate area by plane or other form of public transportation and/or from areas where COVID-19 has sustained community spread?

Have you been exposed to anyone who has been quarantined or is in isolation due to suspicion of novel coronavirus (COVID-19)?

Have you had a fever or cough, had trouble breathing, or lost your sense of smell or taste during the last 14 days?

Have you traveled internationally in the last 14 days?

Have you been around anyone who has had a fever or cough, had trouble breathing, or lost their sense of smell or taste during the last 14 days?

Have you been around anyone who is ill and has traveled internationally in the last 14 days?

Maintaining a safe campus environment is a shared responsibility. Your adherence to this process will help reduce the spread of COVID-19 in our community.
