About the Program
• As a Dental Assistant, qualify for employment with dental offices.
• The number of Dental Assistants employed in this region is expected to increase by 9.4% over the next four years, according to the Bureau of Labor Statistics.

About the Pathway
• Get a head start on your Dental Assisting (DAT) program by completing some or all DAT general education courses while still in high school.
• Be ready to begin DAT courses in the fall and graduate with your Expanded Duty Dental Assisting Diploma in 3 semesters.
• Upon completion of the DAT program, become a Certified Dental Assistant by completing the Dental Assisting National Board (DANB).
• High school students take dual enrollment classes at Tri-County Technical College.
Dental Assistants are multi-skilled dental professionals trained to work in many specialty areas of dentistry, including restorative dentistry and preventive oral health care. Students learn the skills necessary to provide patient education, apply pit and fissure sealants, produce intra-oral and extra-oral radiographs, polish teeth and fillings, assist the dentist, prepare dental materials, and manage dental offices.
